

Southborough Common

We're looking forward to another season of 16 task days again on the Common and continuing to restore and improve the habitats there.

We will be doing similar work to previous years which will be familiar to all our wonderful regular volunteers and as there is always so much to do, newcomers will be very welcome. Removing invasive holly and laurel as well as glade creation and thinning are on the agenda – roaring bonfire guaranteed. Also, we'll be clearing around the numerous paths through the Common, following recent maps to create a circular walk which will feature some points of interest.

This winter's schedule is overleaf. If you would like to come along and give us a hand you will be very welcome and tea and biscuits are included!

To learn more about the project, please contact Ian Johnstone by email at ian.johnstone@khwp.org.uk or call me on 01580 212972. Details are also on our new website www.southboroughcommon.co.uk

Southborough Common Volunteering Practical Dates

All events run from 10am to 3pm and will meet at the car park by St Peter's Church (TN4 0RU) unless otherwise stated.

The following dates are when we plan to lead practical conservation tasks on Southborough Common. Although we will try to keep to this schedule, dates are subject to change and latest information will be posted on our website www.khwp.org.uk and www.southboroughcommon.co.uk. You are also welcome to ring the office on 01580 212972
